

## Bullfrog Spas Model A6L

Small Hot Tub, Big Therapy

The A6L would be considered a small hot tub, but this premium spa provides nearly all the features of spas that take much more space. Compact on the outside, the A6L is a popular hot tub for singles, urbanites, and small families. The A6L seats 4 adults comfortably and can actually seat up to 6 people, yet it still fit on most decks, balconies and patios. The A6L features your choice of 4 JetPaks and a comfortable lounge seat with therapeutic calf and foot jets. Don't worry if you don't have a large space, the A6L ensures you won't miss out on therapy or relaxation.
